

Synergia2 - Bug # 44: incorrect python executable specified in synergia-local

Status:	New	Priority:	Normal
Author:	Eric Stern	Category:	
Created:	02/25/2011	Assigned to:	
Updated:	02/25/2011	Due date:	
Subject:	incorrect python executable specified in synergia-local		
Description:	synergia-local is generated from synergia-local.in. The python executable is specified from the environment variable PYTHON_EXECUTABLE, but on systems where the system python is different than the python used in the build, it gets the wrong value.		

History

02/25/2011 03:10 PM - Eric Stern

The synergia script itself is also affected.
